

ANNUAL TECHNO-CULTURAL FEST

PARINAAM 2026

Amrita Vishwa Vidyapeetham

OCTOBER 11-12, 2026

THE FEST

PARINAAM is the annual techno-cultural festival where ideas find a stage and potential finds its people.

Over three electric days, students show up, build, perform, compete, and create—turning curiosity into impact. From code to canvas, strategy to stage, PARINAAM is student-powered, boundary-pushing, and unapologetically bold. This is where campus energy becomes real-world momentum.
